

MATRIX KALEIDOSCOPE

Musings by the Principal

Dear Students, Parents, and Staff

Today is a special reminder that our beautiful planet needs our love and care, not just today, but every single day. The Earth gives us so much: fresh air to breathe, trees for shade, water to drink, and land to play and grow on. It's our turn to give back in small, meaningful ways.

Each one of us, no matter how young, can make a difference. Here are a few simple things you can do to help:

Switch off lights and fans when not in use.

Don't waste water—close taps tightly and use only what you need.

Say no to littering—always throw trash in the dustbin.

Reuse and recycle—give things a second life.

Plant a tree—watch it grow as you grow.

Let's all be Earth's little superheroes—protecting our home with kindness, care, and respect.

Remember, small hands can do big things when we work together.

Let's promise to keep our school, our neighborhood, and our planet clean and green.

With love for the Earth and all of you!

Warm regards,
Ms. Rajeshree Shihag
Principal-Matrix High School

Convocation Ceremony Marks a Joyous Milestone for Class V Students

A vibrant convocation ceremony unfolded as the school community gathered to honor the promotion of Class V students to Class VI, an exciting leap in their educational journey. The atmosphere was electric with excitement and pride, as the bright-eyed young learners celebrated this significant milestone surrounded by friends, family, and educators.

As the sun shone down on the open area adjacent to Block II, the ceremony became a platform to recognize the hard work and dedication of the students. Commendable achievers were applauded for their remarkable accomplishments. The top performer of the class was presented with a beautifully crafted memento and an elegant sash, accompanied by a progress card that acknowledged their academic excellence. The overall top student, who truly epitomized perseverance and brilliance, received a stunning trophy, a memento, a sash, and a thoughtfully chosen book about the legendary mathematician Shakuntala Devi, chosen to ignite inspiration in the young minds present.

The event drew a crowd of proud parents and guardians, their smiles reflecting the joy and hope they felt for their children's futures. The presence of esteemed guests—Sultan Sir, Mahendra Sir, and Rajeshree Ma'am (Principal)—brought an air of dignity to the proceedings and their words of wisdom resonated deeply with everyone. They praised the students for their hard work and encouraged them to embrace the challenges ahead with courage and determination.

As the ceremony drew to a close, the atmosphere was filled with a sense of hope and enthusiasm. The echoes of encouragement and motivation lingered in the air, instilling a shared feeling of pride in every participant. Students and parents left the grounds with hearts full of anticipation, eager to embark on the next chapter of their academic adventure.

New Session Commencement!!

The new academic session for Class XI commenced at Matrix School with enthusiasm and anticipation. Students, both new and returning, were welcomed by faculty and staff, marking the beginning of an important phase in their academic journey.

An introductory session was held in the school auditorium, where the Principal addressed the students, outlining the academic expectations, school policies, and the opportunities available in the upcoming year. Subject teachers provided a brief overview of their respective disciplines, sparking initial interest and setting the stage for the curriculum ahead.

The atmosphere was positive, with students eager to embark on their higher secondary education. Orientation activities were conducted to help new students integrate and familiarize themselves with the school environment and their peers. The successful commencement of the new session signals a promising start to the academic year for Class XI at Matrix School.

Matrix High School Celebrates Musical Excellence

Matrix High School recently hosted a vibrant and melodious inter-class singing competition. The event showcased the exceptional vocal talents of students from various sections. The competition featured a diverse range of musical performances, spanning classical, contemporary, and folk genres. The audience was captivated by the soulful renditions and the passion displayed by the young singers.

Winners:

First Position: Varnish Kaur (X11C1)

Second Position: Rudraksh Pandey (X11C1)

The judges commended all the participants for their outstanding performances and acknowledged the hard work and dedication evident in each presentation. The event was a celebration of music and a testament to the artistic talent nurtured at Matrix High School.

CEPT अवार्ड सेरेमनी का आयोजन

मैट्रिक्स हाई स्कूल सीकर के तत्वाधान में हाल ही में आयोजित कक्षा 10 वीं फाउंडेशन, स्कूलिंग व 12 वीं स्कूलिंग की कॉम्पिटिशन एग्जाम टेस्ट सीरिज (CEPT-01) में अपनी कक्षा में उच्च अंक प्राप्त करने वाले विद्यार्थियों के सम्मान में अवार्ड सेरेमनी का आयोजन किया गया। इस सेरेमनी में उत्कृष्ट प्रदर्शन करने वाले कुल 141 विद्यार्थियों को संस्था ने अवार्ड से सम्मानित किया। गौरतलब है कि मैट्रिक्स स्कूल विभिन्न ओलंपियाड व कॉम्पिटिशन एग्जाम के माध्यम से स्टूडेंट्स के नॉलेज व स्किल्स को और बेहतर बनाने के लिए संकल्पबद्ध है।

संस्था की प्रिंसिपल राजश्री सिहाग ने सेरेमनी आयोजन के दौरान अपने उद्बोधन में बताया कि आज के समय में स्कूलिंग के साथ ही प्रतियोगी परीक्षाओं की तैयारी करने से सुदृढ़ नींव का निर्माण होता है। इस कार्यक्रम में संस्था की मैनेजमेंट टीम, समस्त स्टाफ एवं विद्यार्थी उपस्थित रहे।

Earth Day Celebration Report

On April 22, 2025, our school celebrated Earth Day with enthusiasm, engaging students in activities to promote environmental awareness. The event began with inspiring speeches from Class V students about protecting our planet, followed by the distribution of saplings by the school management.

Grade 1 students explored nature through a walk, while Grade 2 conducted an interactive quiz on environmental science and participated in a tree plantation drive.

Grade 3 students designed Earth Day-themed badges, and Grade 4 created posters highlighting the importance of the day. Grade 5 focused on discussions about maintaining a clean environment and sustainable practices.

The celebration was both educational and engaging, fostering a sense of responsibility among students to protect the environment.

Overall, it successfully inspired them to take proactive steps toward sustainability. We look forward to expanding our efforts in promoting environmental awareness in the future.

Heritage Quiz Celebration (6th to 8th Division)

A Heritage Quiz was organized for students from classes 6th to 8th to celebrate and promote awareness about India's rich cultural heritage. The event aimed to educate young minds about historical monuments, freedom fighters, traditional arts, festivals, and ancient scientific knowledge. It created a platform for students to explore the diversity of Indian history and encouraged curiosity and pride in their roots.

The quiz fostered team spirit, critical thinking, and healthy competition among students. It also helped in strengthening their knowledge beyond textbooks, making learning more interactive and enjoyable. Teachers and students actively participated, making the event a grand success. Such initiatives are important in shaping responsible and culturally aware citizens. The Heritage Quiz not only tested the students' knowledge but also inspired them to preserve and respect the legacy of our nation. It was an enriching and memorable educational experience for all involved.

World Art Day Celebration

On April 15, 2025, our school buzzed with excitement as we celebrated World Art Day, a vibrant event dedicated to fostering creativity and artistic expression among our primary students.

Classes and Activities:-

Grades 1-2: Colouring on Worksheets - Young artists eagerly gathered in their classrooms, armed with a rainbow of crayons and markers. Each child poured their imaginations onto worksheets filled with whimsical designs, transforming blank pages into lively masterpieces bursting with bright colours and personal flair.

Grades 3-5: "Paint Down Your Imagination" Projects- Students in the older grades unleashed their creativity through dynamic painting projects. With brushes in hand, they explored various themes, allowing their imaginations to run wild. Each artwork was a reflection of their unique perspectives, showcasing a fantastic range of styles and ideas that filled the gallery space with energy and wonder. The event served as a vivid reminder of the essential role art plays in nurturing creativity and self-expression in young minds. Throughout the day, our budding artists revealed their talents with remarkable enthusiasm and pride.

A heartfelt congratulations to all participants for their exceptional works of art, which truly illuminated our school community!

Parent-Teacher Meeting (PTM)

Last month, we held our Parent-Teacher Meeting (PTM), which was a great opportunity for parents, teachers, and students to come together and talk about how our students are doing in school and what they can achieve in the future.

Key Takeaways:-

- 1. Student Progress:-** Teachers provided updates on how students are performing in their studies, pointing out what they are doing well and where they can improve.
- 2. Collaboration:-** Parents and teachers discussed ways to work together to support students' learning and personal growth.
- 3. Future Goals:-** The conversations also focused on setting realistic goals for students and creating plans to help them succeed and reach their full potential.

Baisakhi Celebration

Our school vibrantly celebrated Baisakhi on April 13, 2025, filling the air with excitement and joy. The day was marked by an array of colorful dance performances, engaging cultural activities, and inspiring speeches that illuminated the significance of this cherished festival.

One of the highlights was a heartfelt speech delivered by a talented 5th-grade student, whose articulate words and deep understanding of Baisakhi's cultural importance left an indelible mark on everyone present. The student spoke passionately about the festival's roots, emphasizing themes of harvest, gratitude, and community spirit.

The celebration not only showcased the rich traditions of Baisakhi but also nurtured a sense of belonging and cultural appreciation among both students and staff. Laughter, music, and dance united our school community, creating cherished memories that we will carry forward.

सफलता के लिए संघर्ष

जीवन में संघर्ष जितना अधिक होता है, सफलता उतनी ही अधिक उज्ज्वल बनती है। बिना कठिनाइयों का सामना किए कोई भी महत्वपूर्ण उपलब्धि संभव नहीं है। जैसे तपती धूप में फल पककर मीठा होता है, वैसे ही संघर्षों में तपकर व्यक्ति की सफलता निखरती है। सच्ची सफलता वही है जो लक्ष्य प्राप्त कर संतोष और आनंद दे। निरंतर प्रयास, त्याग, और समर्पण से ही सफलता प्राप्त होती है। बिना इच्छाओं और आराम का त्याग किए, कोई भी उपलब्धि संभव नहीं। मेहनत और लगन से किया गया प्रयास कभी व्यर्थ नहीं जाता। सिर्फ शारीरिक मेहनत नहीं, बल्कि मजबूत इच्छाशक्ति, स्वस्थ शरीर और सही दिशा में कार्य करना भी आवश्यक है। सकारात्मक सोच, अच्छी आदतें और प्रेरणादायक संगति सफलता की राह आसान बनाते हैं। सफलता एक दिन में नहीं मिलती; इसके लिए समय, धैर्य और आत्मविश्वास जरूरी है। असफलताओं से निराश न होकर उनसे सीखें और आगे बढ़ें, क्योंकि हर असफलता सफलता की ओर एक कदम होती है।

जैसा कि गीता में कहा गया है:

“कर्म पर ही तुम्हारा अधिकार है, फल पर नहीं।”

अतः, पूरी निष्ठा से कर्म करें, फल की चिंता न करें। संघर्षों से न डरें, उन्हें सीढ़ी बनाकर आत्मविश्वास से आगे बढ़ें - सफलता निश्चित रूप से मिलेगी।

Thought of the Month

**Two things are infinite:
the universe and
human stupidity;
and I am not sure
about the universe.**

~Albert Einstein

You know, Einstein's words about the universe and human folly really hit home when we look at how we treat our planet. It makes you wonder which is truly boundless – the cosmos or our knack for messing things up.

Think about it. We clear forests that breathe life into our world, pollute the very air and water that sustain us, and push countless species toward extinction, unraveling the intricate web of life that keeps everything in balance. It's like we're sawing off the branch we're sitting on, completely oblivious to the fall.

This isn't just about the planet; it's about our future too. A sick planet can't support healthy humans. The extreme weather events, the resource scarcity, the loss of biodiversity – these are all consequences of our shortsighted actions, and they paint a grim picture for generations to come.

It's a dangerous kind of stupidity, this self-destructive path we seem to be on. We have the knowledge, the innovation, and arguably even the awareness to do better. Yet, we often prioritize short-term gains over long-term well-being and individual convenience over collective responsibility.

Perhaps it's time we proved Einstein wrong about the latter part of his quote. Maybe we can still choose to be intelligent, to learn from our mistakes, and to act as stewards of this incredible planet, not its destroyers. The future of both humanity and nature depends on it.

MHS Celebrates Its First-Ever FIDE-Rated Chess Player!

Rakshit Choudhary

Shining at the DCA Open FIDE Rapid & Blitz Tournament 2025

Heartiest Congratulations!

MHS proudly congratulates Rakshit Chaudhary for becoming the first-ever FIDE-rated player from our school! Rakshit achieved this remarkable milestone at the prestigious DCA Open FIDE Rated Rapid & Blitz Chess Tournament 2025.

This outstanding accomplishment is a testament to the spirit of excellence and competitive drive fostered at MHS, where young talents are not just discovered but truly empowered to achieve their dreams.

We are immensely proud of Rakshit and look forward to witnessing many more such achievements from our talented students!

Matrix-Structured Execution of Sports Tournaments, Athletic Events, and DJ Night for Hostel Residents

The campus came alive this past week with electrifying energy, vibrant enthusiasm, and a true display of sportsmanship as students participated in the highly anticipated Hostel Sports Meet 2025. The series of competitions brought hostels together in a spirited battle for glory, with students demonstrating exceptional talent, resilience, and unity.

Hostel Matches: A Display of Passion and Perseverance

The inter-hostel matches ignited fierce yet friendly rivalries, with each hostel vying for supremacy on the field. In a closely contested match between Bose Hostel and Patel Hostel, it was Bose Hostel that triumphed, thanks to their strategic play, seamless coordination, and unyielding determination. Their victory was a testament to their relentless preparation and unwavering spirit. Meanwhile, the match between Nehru Hostel and Azad Hostel was nothing short of a spectacle. Both teams displayed remarkable skill and sportsmanship, but it was Nehru Hostel that ultimately secured a hard-fought victory, propelled by stellar teamwork and inspired performances. In another thrilling encounter, Kalam Hostel clashed with Tagore Hostel. Amidst roaring cheers and heightened anticipation, Kalam Hostel emerged victorious, demonstrating extraordinary tactical prowess and a commendable spirit of perseverance. Each match was a celebration of talent and camaraderie, reflecting the true essence of hostel life — where competition fosters deeper friendships and shared pride.

Athletics Competition: Where Champions Were Forged

Beyond the hostel rivalries, the Athletics Competition saw participation from students across various classes, who brought their best to the track and field. The events spanned a range of disciplines, from kabaddi to Tug of War events.

The athletics arena buzzed with excitement as participants pushed their physical and mental limits, chasing personal bests and setting new records. The spirit of fair play was palpable, and met with applause and admiration, regardless of the outcome. It was heartening to witness the encouragement shared between competitors and spectators alike, a true embodiment of the ethos of sportsmanship.

DJ Night: A Well-Deserved Celebration

Following the adrenaline-filled days of intense competition, it was time for celebration — and what better way to unwind than a vibrant DJ Night! The students gathered in droves, dancing under the stars as music filled the night air. The atmosphere was electric, with joy, laughter, and unbridled excitement uniting everyone in a shared moment of festivity. It was a perfect conclusion to a week marked by dedication and determination, a night where every student, whether athlete or supporter, became part of the celebration.

We extend our heartfelt congratulations to all the winning hostels — Bose Hostel, Nehru Hostel, and Kalam Hostel — for their remarkable victories. Equally, we applaud every athlete who participated in the athletics meet and every student who contributed to the collective spirit of the events.

These moments remind us that victory lies not only in winning but also in the courage to compete, the perseverance to strive, and the spirit to celebrate one another. As we move forward, may we carry this spirit of camaraderie, resilience, and joy into all our endeavors.

Milestones & Moments

Trio of Class 9 Students Win Big at District Project Competition

It is with immense pride and pleasure that we congratulate Ashish (S/o Anil Kumar), Shakun (S/o Rajbeer Singh), and Yash (S/o Beer Singh), all students of Class 9, for their outstanding achievement in winning a cash prize of ₹10,000 at the District Level Exhibition and Project Competition. These students have demonstrated exceptional talent, hard work, and dedication in their respective projects. Their success is a testament to their innovative ideas, meticulous research, and effective presentation skills. They have not only made their school proud but have also set a remarkable example for their peers. The District Level Exhibition and Project Competition provides a platform for students to showcase their scientific and creative abilities. Ashish, Shakun, and Yash's achievement in this competition highlights the importance of fostering a spirit of inquiry and innovation among young minds. We extend our heartiest congratulations to the students, their families, and their teachers for this remarkable accomplishment. We wish them continued success in their future endeavours and hope that they continue to excel in their pursuit of knowledge and innovation.

JEE Main 2025 Results

Matrix, Sikar has consistently delivered exceptional results in the Joint Entrance Examination (JEE), establishing itself as a leading coaching institute in the region.

Key highlights of their performance include:

- A significant number of students scoring above the 99th percentile in JEE Main.
- Top ranks secured by their students in both JEE Main and JEE Advanced.
- A proven track record of producing successful candidates who gain admission to prestigious engineering institutions like the IITs.
- These achievements can be attributed to several factors:**
- Experienced faculty:** Matrix, Sikar boasts a team of highly qualified and experienced teachers who provide expert guidance and mentorship to students.
- Comprehensive study material:** The institute offers well-structured and exhaustive study material that covers the entire JEE syllabus.
- Regular assessments:** Matrix conducts frequent tests and mock exams to evaluate student progress and identify areas for improvement.
- Personalized attention:** The institute focuses on providing individual attention to each student, addressing their specific needs and doubts.
- Conducive learning environment:** Matrix fosters a positive and competitive learning environment that motivates students to excel.
- In conclusion, Matrix, Sikar's remarkable JEE results underscore its commitment to providing quality education and effective coaching. The institute's consistent success has made it a preferred choice for JEE aspirants in Sikar and beyond.

Struggle – The Real Meaning of Life

Life became good when I fell in love with a problem when the act mattered more than the outcome."

In the old Greek myths, there existed a story that fascinated me. Sisyphus, a demi-god, was condemned by the Greek gods to move a boulder up a hill. His only curse was that when he reached the top of the hill, the boulder would roll down again and he would have to repeat the struggle he went through. Time and time again, he would repeat the same thing, only to find himself repeating the struggle once again.

Life is crafted with much more failures than victories. Success is the exception; failure is the norm. There will be someone who will be better at something you do, so realize this is accepting the absurd nature of reality, to humble and aid you. Yet the thing about failure is that some victory will justify the failure; there is no external bliss in it.

The real struggle was always the real meaning of life. We all have asked ourselves what we want from life. But we don't choose our suffering—our suffering chooses us. For if you dare to stand straight, look forward, and push forward the biggest boulder, even at the highest spot, it isn't about reaching the destination yet to find, for it was what you became through that chosen suffering. It was always your creation, not more than anyone else.

~Anushka (XIOCNO)

The Little Boy Who was Cursed

One day not long ago, there lived a very angry little boy. Everything in life and everything about life made him angry. The more angry he became, the more frustrated he became, and the more frustrated he became made him more and more annoyed. He began to hurt the people around him who loved him the most with each new insult and burst of anger. He couldn't understand that his actions caused others pain and hurt; he was too consumed by his own rage to even notice. After a particularly bad outburst, his mother had sent him to walk in the woods and think about things until he had calmed down. It was on this day that he realized what the actual meaning of life is.

~Yash Choudhary (X8CN2)

Never Laugh at Others

Once upon a time, there were four friends: John, Shane, Samuel, and Peter. They studied in the same school. One day, their class teacher decided to give each of them a responsibility. She announced their responsibilities but chose John as the monitor and Shane as in charge of notebook submission. The teacher didn't give any task to Samuel and Peter, for which the other students laughed and mocked them. Samuel and Peter became very sad and asked the teacher why they were not given any tasks. The teacher made them understand that all of them were special to her, but she would assign tasks in rotation. The other students stopped laughing, and Samuel and Peter became happy. **Moral: Mocking others is a bad habit.**

~Daksh Sunda (X6CN2)

“
One best book is equal
to hundred good friends.
”

~Mohit (XIOCB4)

Ink & Insights

Moonlight

Moonlight whispers secrets,
stars twinkle at our feet.
Dreams dance in midnight air,
hopes and fears, beyond compare.
In this moment, pure and bright,
we find our gentle light.
A spark within a guiding way,
to lead us through life's uncertain ways.

~Himanshi (X8CNI)

Parents as Pillars

Parents As Dream Supporters
Parents, oh parents, hear my plea,
guide me towards what I want to be,
support me through the highs and lows,
help me reach for the stars and grow.

Encourage me to chase my dreams
and be there when it's not what it seems.
Provide me with the tools I need
to succeed in life and to succeed indeed.
Teach me to be resilient and strong
and to keep going when things go wrong.

Remind me to take risks and try
and to never let my dreams die.
Help me find balance in my life
and to keep my patience alive.

Parents, oh parents, hear my plea,
guide me towards what I want to be.

~Devanshi Yadav (X6CN2)

तुम मुझको कब तक रोकोगे?

मुझी में सपने लेकर, भरकर जेबों में आशाएँ, दिल में हैं
अरमान यही कुछ कर जाएं.....

कुछ कर जाएं...

सूरज सा तेज नहीं मुझको, दीपक सा जलता देखोगे,
अपनी हद रोशन करने से, तुम मुझको कब तक रोकोगे,

तुम मुझको कब तक रोकोगे,
मैं उस माटी का वृक्ष नहीं जिसको नदियों ने सींचा था।
बंजर माटी में पलकर मैंने मृत्यु से जीवन सींचा था।

मैं पत्थर पर लिखी इबादत हूँ शीशे से कब तक तोड़ोगे
मिटने वाला, मैं नाम नहीं तुम मुझको कब तक रोकोगे।
इस जग में जितना जुल्म नहीं उतने सहने की ताकत है...

मैं सागर से भी गहरा हूँ तुम कितने कंकड़ फेंकोगे।
चुन-चुनकर आगे बढ़ूंगा मैं तुम मुझको कब तक
रोकोगे। झुक - झुककर सीधा खड़ा हुआ अब फिर झुकने
का शौक नहीं

अपने ही हाथों रचा स्वयं को... तुमसे मिटने का खौफ
नहीं।

तुम आग की भट्टी में जब-जब भी मुझको झोंकोगे।
तब-तब तपकर सोना बनूंगा मैं,
तुम मुझको कब तक रोकोगे।

~Mohit (X9CB2)

Small Act of Kindness

Once as I traveled through the road edge,
my eyes caught a small bird on the ledge.
Its tiny wings had dropped down low,
A sight that made my feelings grow.

I took him to the place of care
and gave him gentle proper care.
After the treatment, he looked bright
but in his eyes there lingered fright.

I took him gently in my hands
and stroked him with soft commands.
At that moment the thought took hold
within my mind brave and bold:
"How beautiful a feeling lies
In the act of kindness to realize."

~Viyan (X8CN2)

चलना अभी ज़रूरी है

थकना नहीं, रुकना नहीं,
चलना अभी ज़रूरी है।
गिर कर उठना, उठ कर गिरना,
फिर से उठ संभलना, अभी ज़रूरी है।
लहरों से टकराना भी कभी-कभी,
धैर्य निर्माण देती हैं।
कुछ सहज कर भी कभी-कभी,
अच्छा मिलता परिणाम है।
पुर्जों के लिए कभी-कभी
टूटना भी ज़रूरी है।
चलना अभी ज़रूरी है,
चलना अभी ज़रूरी है।

~Palak Jangir (X12RM)

तुम चलो तो सही.....

राह में मुश्किल होंगी हज़ार,
तुम दो कदम बढ़ाओ तो सही,
हो जाएगा हर सपना साकार, तुम चलो तो सही,
तुम चलो तो सही।
मुश्किल है पर इतना भी नहीं
कि तू कर ना सके,
दूर है मंजिल लेकिन इतनी भी नहीं कि तू पा ना सके,
तुम चलो तो सही, तुम चलो तो सही,
एक दिन तुम्हारा भी नाम होगा तुम्हारा भी सत्कार होगा,
तुम कुछ लिखो तो सही,
तुम कुछ आगे बढ़ो तो सही,
तुम चलो तो सही, तुम चलो तो सही।
सपनों के सागर में कब तक गोते मारते रहोगे
तुम एक राह चुनो तो सही,
उठो तो सही, तुम कुछ करो तो सही,
तुम चलो तो सही, तुम चलो तो सही।
कुछ ना मिला तो कुछ सीख जाओगे,
जिंदगी का अनुभव साथ ले जाओगे,
गिरते पड़ते संभल जाओगे,
फिर एक बार तुम जीत जाओगे,
तुम चलो तो सही, तुम कुछ करो तो सही।

~PRIYANSHI (X9CBI)

Educator's Edge

Tips for Today's Children and Parents

Parents, Lead by Example: Your children learn by watching you, not just listening. Model the behaviour you want to see.

Balance Study and Play: Success isn't just about books. A healthy mix of learning and fun is key. Remember, active play can enhance focus during study time. How about 3 hours of study for every hour of play?

Manage Screen Time Wisely: Be firm about limits on phones, computers, and TV. Avoid content that isn't age-appropriate.

Embrace Learning and Aspire: Education opens doors. Like Nandini Agrawal, who achieved remarkable success through hard work, dedication to learning can lead to great things. Study diligently.

Value Your Parents' Guidance: They have your best interests at heart and offer invaluable wisdom. Even when it feels tough, remember they are your biggest supporters.

Practice Empathy and Respect: Treat everyone with kindness and understanding, regardless of their background. Show respect for elders, teachers, and friends.

Take Ownership and Be Responsible: Follow rules, complete your tasks, and own your actions.

Prioritize Safety: Learn how to stay safe in all situations, including online, and protect yourself from harm.

Be Aware and Respectful: Children, pay attention to your surroundings, maintain good hygiene, and understand the importance of caring for our planet.

Ms. Kiran Lata (Management)

Not all storms come to disrupt your journey but some storms clear your path

Life is often likened to a journey, and along this path, we inevitably encounter storms. These storms can manifest as challenges, setbacks, losses, or periods of intense difficulty. Our initial reaction might be to view these turbulent times as unwelcome disruptions, obstacles that derail our progress and cause unnecessary suffering.

However, the wisdom in this quote lies in the transformative power that some storms possess. Think of a literal storm in nature. While it might bring temporary chaos with strong winds and heavy rain, it also serves to clear the air. It washes away the dust and debris, allowing for new growth and a clearer view of the horizon.

Similarly, the metaphorical storms in our lives can play a crucial role in our development and the trajectory of our journey. These challenging periods can force us to re-evaluate our priorities, shed old habits or beliefs that no longer serve us, and confront uncomfortable truths about ourselves and our situations.

Consider a friendship that ends. The initial pain and disruption can feel like a devastating storm. Yet, in its aftermath, it might create space for self-reflection, personal growth, and eventually, a healthier and more fulfilling connection. Or think of losing a job. While the immediate impact can be frightening, it might become the catalyst that pushes you to pursue a long-held passion or discover a more aligned career path.

These "clearing" storms often demand resilience, courage, and adaptability. They push us beyond our comfort zones, forcing us to develop inner strength and learn valuable lessons. The path forward after such a storm might look different than we initially envisioned, but it can often be a path that is more authentic and purposeful and ultimately leads to greater fulfillment.

Therefore, when faced with life's inevitable storms, it's helpful to remember that not all of them are meant to destroy. Some arrive to sweep away what's hindering our growth, offering us a renewed perspective and a clearer path toward our true potential. It is in navigating these turbulent times with an open heart and a willingness to learn that we can discover their hidden blessings.

Mr. Sandeep Musale (PGT - Geography)

The Canvas of My Thoughts

All this I feel each morning new,
While sitting on the bus, lost in my view.
On my way to work, my thoughts run free,
In this dreamy world, it's just me.

This world is so dreamy, so big, so free,
I can do anything, just let me be.
I can paint on clouds, I can dance on air,
No one can stop me, I have no care.

The flowers bloom on both sides wide,
Their sweet smell follows me as I ride.
I talk to the cows, I talk to the trees,
They all speak back in the way I please.

The Aravalli hills stand calm and tall,
Nothing feels more beautiful at all.

I can fly with birds, so high, so wide,
With open wings, I float and glide.
Everything around me fades away,
This dreamy world is where I stay.

I talk to my God, so calm, so true,
He listens to me, He knows what I do.
No rush, no fear, just peace so deep,
This is the place my heart can keep.

I walk in fountains, the water so cool,
Drops touch my face, they feel so smooth.
Each little drop makes me so bright,
More than anything in real life.

The sunlight hugs me, gives me power,
I stand so strong in this golden shower.
The air is soft, it carries my stress,
Filling my heart with light and rest.

This world is peaceful, this world is mine,
It makes me happy, it feels so fine.
I am unstoppable, wild, and free,
In my thoughts, I can always be me.

Ms. Deepika (Social Media Manager)

Desert Dream

Fire, burning fire on my face
Seems it wants to take everything
As I came into the world
It was a sea of sand
No single drop to drink
No bone with flesh to link
With drought throat and dry eye
Sun rises every time high and high
Blue and yellow mingle at mile
Oh God! May it could be a lie
No acquaintance was there, day was dull
Sometimes I made cairn, sometimes I doodled
I can see water, but as I appear it disappeared
All that can I see is sand, nowhere even land
For the sun, I was center as a globe
Nothing was I, but a slight blob
Water, soaking water on my face
Seems a cloud came out from the lake
As I came into the world
It was just my pet who licked.

Mr. Mp Kumawat (PGT - English)

वो बचपन कहीं खो गया है...

वो मिट्टी में खेलना, वो धूल भरे मैदान,
कंचों की चमक, और गिल्ली-डंडे का गान।
छोटे-छोटे सपने, बड़ी हँसी के पल,
ना फ़ोन, ना स्क्रीन... बस दिलों का था हलचल।

माँ की गोद में दुनियादारी की छॉव थी,
पिता की ऊँगली थामे ही तो पूरी किताब थी।
ना 'रिल्स' का नशा, ना 'लाइक' का जुनून,
बस दोस्तों का साथ, और चाँदनी रातों का सुकून।

अब हर हाथ में मोबाइल, हर आँख पर थकान,
न खेल के मैदान बचे, न रिश्तों में जान।
माँ-बाप भी उलझे हैं वर्चुअल जहान में,
बच्चों की बातें भी खो जाती हैं शोरगुल-से कान में।

वो जो हँसी बेपरवाह थी, अब वो कम क्यों है?
क्या ये तरक्की है या कोई गुमनाम गम क्यों है?

फिर वक्त बदला, बचपन ने बड़प्पन का चोला ओढ़ा,
जिम्मेदारियों का बोझ, और सपनों को थोड़ा-थोड़ा
तोड़ा।

संघर्षों की सीढ़ियाँ चढ़ते-चढ़ते जब चोटी मिली,
तो हर कोई बोला — "हमें तुम पर नाज़ है, बंधु, दिल से
खुशी मिली।

पर कोई ये न बोला — "तेरी थकान समझते हैं हम,
ना किसी ने पूछा — "तेरे टूटे सपनों का मरहम।
ये सफ़र है जीवन का, जो हर मोड़ सिखाता है,
पर बचपन... वो तो बस एक बार ही आता है।
